# Assistant Professor – Student Success

## Essential Job Skills

- Minimum of 2-3 years of teaching/research experience as Assistant Professor as per the UGC norms. Preferably SET/NET is desirable.
- Must have strong teacher-student relationship and mentoring skills.
- Must have a student friendly approach.
- Good interpersonal, problem solving and communication skills.
- Understanding of academic process workflow.

## Description

- Facilitate individual meetings with students during each semester
- Help students develop a career enhancement to ensure degree completion
- Advise students on credit registration and selection of electives.
- Connect students to resources on campus.
- Assist students with creating academic, personal, and professional goals
- Develop a one-on-one relationship with their students in their learning process.
- Serve as one point person whom students can reach out to when needed
- Help students become engaged with and feel connected to ADYPU academic processes.
- Encourage students to step out of their comfort zone and experience the college life at ADYPU.

## Job Benefits
