Head-Entrepreneurship & Incubation Cell

Essential Job Skills

- Master's degree in Engineering/Management/Entrepreneurship from a recognized university.
- Minimum of 10+ years of experience in a business incubator, a start-up advisory or an incubator investment firm would be preferred.
- Founder of a startup or working for a startup as one of the first few employees is preferred.
- Understanding of the current national and global incubation start-up ecosystems and business incubation programs.
- Prior experience of leading Incubation Cell in a University.
- Passionate team player with dynamic leadership and team building skills.
- Salary as per UGC Norm/Industry standards.

Description

- To create a strong passion to incubate start-up/spinout businesses at the Incubation Center on the ADYPU University Campus.
- To manage the operations of ADYPU Entrepreneurship & Incubation Division through its start-up process life cycle.
- To act as a key innovation mentor for graduates, faculty and external businesses interested in developing or running an existing business.
- To develop a sustainable environment and support network that stimulates entrepreneurial spirit.
- To effectively utilize current entrepreneurial experience and practice to design, develop and deliver innovative entrepreneurial support programmes of the highest caliber.
- To build strategic alliances and relationships with all stakeholders of the incubation start-up ecosystem, particularly with investors and Government bodies.
- To define deliverables, timelines and monitor progress of start-ups.
- Quick decision making, innovative problem-solving and strategic thinking abilities.
- To plan various workshops/events/webinars for the promotion of incubation activities.
- To develop the mentor network for the Incubator (Technical and Business) and work with them to make the Incubated venture successful.
